A Publication of Immanuel Lutheran Church, 703 26<sup>th</sup> Avenue, Canton, Ks. 67428

December 2011

Vol. 5 No. 12

Looking for some new ideas for ways to use your Advent boxes this year?

1. Hide the bags around the house. Each day let the children search for the correctly numbered bag.
2. Place small stockings, one for each family member, on the tree. Each day put an Advent bag in one of the stockings. Help that person find and read the card and the Bible selection.
3. Give older children a sneak peek inside the bag of the day. Have them write or share 3 clues about what is inside, and see if the rest of the family can guess the item and then the story.
4. Pull them out of the box one by one and enjoy them as they are. We have been using a box like this for years, and it never gets old. It's the beginning of the greatest story ever told!

If your family does not yet have an advent devotional box, (distributed last year) please see Pastor following the service today.
